Central Scholarship's 2017 Student Awards Ceremony

“I’m truly thankful for the generosity of this organization, which is changing the lives of so many students and making their dreams come true – regardless of the burdens that they have.”

— Angela Anthony,
2016 Student Loan
Pay-Down Lottery Winner

ABOUT OUR STUDENT AWARDS CEREMONY

“I have worked 20 to 30 hours a week since I was an undergrad to pay off my loans, but in an instant, half of my student debt was gone.” Angela Anthony was joyful and surprised to hear her name called as the winner of the Student Loan Pay-Down lottery at the 2016 ceremony. “You just really have released such a burden for me,” said Angela to the audience, as she wiped away tears. Angela is a first generation college graduate who took her unexpected debt reduction as a sign that she should move forward with an idea to work with an immersive program to help develop an impoverished community in Costa Rica. “I’m truly thankful for the generosity of this organization, which is changing the lives of so many students and making their dreams come true – regardless of the burdens that they have.”

Central Scholarship’s Student Awards Ceremony is a celebration of our recipients – of their accomplishments, of their determination and persistence, and of their successes yet to come. Our Student Awards Ceremony brings together more than 200 degree-seeking students and for an inspirational evening that fetes our students’ aspirations and the donors who make it all possible.

The program features a student speaker who shares the impact of our scholarship and a keynote presenter whose message motivates students to succeed in and after college and provides practical tips on doing so. We recognize the recipients of named scholarship funds, and we surprise the winner of our College Cash® essay contest with an additional \$2,000 scholarship.

Finally, our Student Awards Ceremony is a life-changing event for one student. A generous donor has made a very special commitment to honor Central Scholarship’s long history of supporting higher education, to draw attention to the rising cost of higher education and student loan debt, and to give one student the surprise of a lifetime. This year, and every year until our 100th anniversary in 2024, Central Scholarship will pay off the student loan debt, up to \$30,000, for one lucky student.
